

MX & MX-C SERIE

Angular paddle TMR mixer
stationary or mobile

- Designed by Rovibec Agrisolutions, this TMR mixer is ideal for the producer looking for top quality mixer that can adapt from a medium to large size herds.
- This TMR mixer blade will allow you to prepare best quality recipe for your herd.
- Its smooth operation as well as the unique angular paddle design allow the recipe to mix evenly with complete, perfectly homogeneous mixture without breaking the fibers; providing a healthy diet for your herd.
- The MX-C TMR mixer equipped with famous Rovibec designed knives offers a sharp and even cut, without breaking the fibers, while performing homogenous mixing.
- Inner tub liner supplied with a high resistance grade UHMW protecting mixing tub against friction and corrosive reaction to silage.

Load and specification chart

| Model | Motor | | Tub capacity | | Mixing capacity | | | Overall length *** | | Overall width *** | | Height ** | | Tare weight *** | |
|---------|-------|-------|--------------|------|-----------------|------|------|--------------------|-------|-------------------|-------|-----------|------|-----------------|------|
| | HP | cu.ft | m3 | Kg * | cu.ft | m3 | Kg * | Po*** | mm*** | Po*** | mm*** | Po | mm | lbs | Kg |
| MX 660 | 5 | 170 | 4.8 | 2040 | 150 | 4.2 | 1800 | 94 | 2388 | 92 | 2337 | 87 | 2210 | 3377 | 1532 |
| MX 860 | 5 | 265 | 7.5 | 3180 | 200 | 5.7 | 2400 | 112 | 2845 | 92 | 2337 | 87 | 2210 | 4620 | 2096 |

| MX 1480 | 10 | 618 | 17.5 | 7416 | 525 | 14.9 | 6300 | 187 | 4750 | 110 | 2794 | 100 | 2540 | 8855 | 4017 |
| MX 1880 | 10 | 795 | 22.5 | 9540 | 675 | 19.1 | 8100 | 231 | 5867 | 110 | 2794 | 100 | 2540 | 11495 | 5214 |

* The tub capacity in Kg is based on an average weight of 8.3Kg per ft³ or 290Kg per m³. A variation of ± 10% must be considered.
Important note: the humidity rate will influence the volume weight.

I.e : the more humidity in the recipe, the less the tub will be filled – hence the importance of respecting the total weight allowed.

** Height based on standard MX mixer

*** Options not included into the present specifications.

| Model | Format | | Cows fed <i>based on 2 mixes/day</i> |
|---------|----------|-------------|---|
| | feet | metres | |
| MX 660 | 6' X 6' | 1.83 x 1.83 | 49 |
| MX 860 | 6' X 8' | 1.83 x 2.44 | 66 |
| MX 1060 | 6' X 10' | 1.83 x 3.05 | 88 |
| MX 880 | 8' X 8' | 2.44 x 2.44 | 98 |
| MX 1080 | 8' X 10' | 2.44 x 3.05 | 126 |
| MX 1280 | 8' X 12' | 2.44 x 3.66 | 147 |
| MX 1480 | 8' X 14' | 2.44 x 4.27 | 172 |
| MX 1880 | 8' X 18' | 2.44 x 5.49 | 221 |
